Electric Usage Summary

This month your average daily electric use was **15.1 kWh**

This month you used **14.4% more** than at the same time last year

News For You

While some of the electric rates on your bill decreased this month, your overall bill may be higher simply because more energy is being used to power air conditioners, fans and other cooling equipment. The average customer uses about 40% more energy in the summer. See how our energy efficiency solutions can help you save by visiting Eversource.com/home-savings.
