News For You

We are proud to provide you with safe, reliable service and to take a leadership role in preparing for Massachusetts' energy future. Delivering on these commitments requires sustained investment in our system, which is why Eversource recently filed a Rate Review with the Massachusetts Department of Public Utilities. Eversource is required to establish new distribution rates through a regulatory review process. The process has several steps and can last up to 10 months. If approved, the new rates in the "Delivery" section of your bill will take effect January 2023. For more information visit Eversource.com.
